PROFILE

Dedicated K-8 educator credentialed for multiple-subject instruction, with full ownership of a solo kindergarten classroom across three consecutive academic years — curriculum, instruction, behavior, and family partnership without teaching-assistant support. Experienced across the full elementary and middle-grade range, with substitute teaching at every grade level and proven effectiveness in both self-contained and departmentalized classrooms. Anchors the classroom in disciplined organization, dependable follow-through, and structured communication, informed by a decade of prior administrative leadership.

EXPERIENCE

Kindergarten Teacher

2023 — Present

Spring Mountain Christian Academy · Clackamas, Oregon

- Own end-to-end instruction and operations of a solo kindergarten classroom — curriculum, behavior, daily routines, and individualized student support — without teaching-assistant coverage.
- Design and deliver standards-aligned curriculum across literacy, mathematics, science, social studies, and the arts; differentiate instruction through formative and summative assessment to meet a wide range of readiness levels.
- Cultivate a faith-aligned classroom culture that integrates academic achievement with character formation.
- Sustain strong family partnerships through structured communication, conferences, and detailed progress reporting.
- Contribute language enrichment within the academy's multilingual program.

Substitute Teacher

All Grade Levels

Multiple School Districts · California & Oregon

- Taught across all grade levels on short- and long-term assignments, adapting quickly to unfamiliar classrooms, curricula, and student populations — from self-contained elementary rooms to departmentalized middle- and upper-grade settings.

Assistant Teacher

2008 — 2009

Cali Calmécac Charter School · California

- Supported a self-contained elementary classroom while completing California teaching credential at Sonoma State University.

- Delivered small-group and one-on-one academic support to reinforce literacy and core-subject learning.
- Helped build an inclusive classroom culture responsive to a diverse student community.

EARLIER CAREER

Office Administrator & Accountant

2010 — 2020

Sonoma PlantWorks, Inc. · Sebastopol, California

- Directed daily office operations, recordkeeping, and full-cycle accounting across a ten-year tenure — building the organizational discipline, communication structures, and follow-through now applied to classroom leadership.

Regional Branch Accountant

2004 — 2010

Enterprise Rent-A-Car · California

- Maintained accounting and financial reporting across regional branch operations in a high-volume corporate environment over a six-year tenure.

Private Tutor & Elderly Care Assistant

Independent · Chico, California

- Tutored students and supported elderly community members during undergraduate studies at California State University, Chico.
